2. The Unaudited Standalone Financial Results is the responsibility of the Company's Management and is approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. 3. We conducted our review of the Unaudited Financial Results in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Basis for qualified conclusion

- A. As mentioned in note No. 4 of the unaudited financial results, which describes that the Company has accumulated losses resulting in erosion of Net worth and has incurred net cash losses in the previous Financial Years. These conditions cast serious doubt about the company's ability to continue as a going concern. However, the statement of unaudited financial results of the Company has been prepared on a going concern basis. Consequently, we are unable to comment on the impact of the above matter on these Financial Results.
- B. As mentioned in note No. 5 of the unaudited financial results, which describes that the account of the company with its Consortium Banks has turned Non-Performing Asset on various dates in the previous Financial Years. In view of uncertainty, the company has not provided interest including penal interest and other dues for the quarter and nine months ended December, 2021 on its borrowings, to the extent the same have remained unpaid. The impact of the same on the loss for the year and its consequent effect on the Liabilities and Reserve and Surplus is not ascertainable.

5. Qualified conclusion

Based on our review conducted as above, except for the possible effects of our observations in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of matter

- A. As mentioned in note No. 6 of the unaudited financial results, which describes that consortium lenders had sanctioned One Time Settlement (OTS) with interest and other clauses as mentioned therein, against the said OTS, Rs. 20.35 Crores (excluding interest) is balance payable as on 31st December, 2021.

The total outstanding bank borrowings from consortium lenders were INR 217.85 crores, against which, the lenders had approved OTS with interest clause. The balance portion of borrowing will be accounted as income (remission of bank liability) in the quarter in which the Company will make full and final payment towards the sanctioned OTS amount along with the fulfilment of other conditions mentioned therein and receipt of No-dues certificate from the lenders.

- B. As mentioned in note No. 7 of the unaudited financial results, which describes that as regards to management's evaluation of uncertainties relating to COVID-19 and its consequential effect on the carrying value of the assets as at December 31, 2021 and the operations of the Company.

C. As mentioned in note No. 8 of the unaudited financial results, which describes that, Company will calculate the impact of income tax and deferred tax at the year end March, 2022 as certain transactions which may impact the tax position is not concluded till the date of this results.

Our conclusion is not modified in respect of these matters.
