- (a) The Company has accumulated losses resulting in erosion of Net Worth and the Company's current liabilities exceeded its current assets by INR 60.72 Crores. These conditions may impact the company's ability to continue as a going concern. However, the Ind AS financial Statement of the Company has been prepared on a going concern basis. (Refer Note No.4)

This matter was also qualified in our report on the financial results for the year ended March, 2021.

Emphasis of Matter

We draw your attention to:

- (a) Note no. 5 of statement of the audited financial results stating that all the three lenders (Bank of Baroda, Bank of India and Union Bank of India) have sanctioned One Time Settlement (OTS) for an overall amount of INR 93.87 Crores plus interest, subject to the conditions of timely payment of the agreed OTS amount and other standard terms as mentioned in the OTS sanction letters. Company has made the full and final payment towards the one time settlement to all the lenders during the quarter ended 31st March, 2022 and received No-dues certificate from the said lenders.

The total outstanding bank borrowings from consortium lenders were INR 217.85 crores, against which, the lenders had approved OTS amount of INR 93.87 Crores. The balance portion of borrowing has been accounted as income (remission of bank liability) in the quarter ended March, 2022 as exceptional income.

- (b) Note no. 6 of statement of the audited financial results stating that, during the quarter ended March, 2022; Company has written off the outstanding receivable balance amounting to INR 189.32 Crores against which the majority of the provision for bad and doubtful debts was already made through profit and loss account during the financial year 2015-16 and 2017-18. Company has sent legal reminders or taken legal action against these receivable balances, however, considering the long outstanding receivable and the consent of the Board of Directors, Company has written off such receivable.

- (c) Some of the balances of Trade Receivables, Deposits, Loans and Advances, Advance received from customers and Trade payable are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any.

Our conclusion is not modified in respect of these matters.

Management's Responsibilities for the Financial Results

The Statement has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls,
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- d. Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- e. Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- f. Obtain sufficient appropriate audit evidence regarding the Annual Financial results of the company to express an opinion on the Annual Financial Results.

Materiality is the magnitude of misstatements in the Annual Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations. Our opinion on the Statement is not modified in respect of this matter.
